

**6th Annual Economic Development  
Regional Meetings  
Hosted by your local legislators**

The York County Economic Alliance and the York County Planning Commission invite local elected officials, business people and constituents to participate in the 6th Annual Regional Economic Development Meetings hosted by York County's state legislators. This series of regional meetings will highlight positive economic development efforts in York County.

At the five (5) year mark of the original Economic Development Plan adopted in 2009, the York County Planning Commission and the York County Economic Alliance staff reviewed the Plan's strategies and the progress that has been made to implement them. Through this review process, along with reflection and analysis of the current economy, some existing strategies were modified and new strategies emerged. It also became apparent that economic development over the next ten (10) years in York County will continue to require a coordinated plan of action, particularly to enhance the County's competitive position for attracting top industries.

All are encouraged to attend these valuable economic development discussions. For more information, please contact Kim Gross at [kgross@ycea-pa.org](mailto:kgross@ycea-pa.org) or 717.771.4583. Light refreshments will be provided.

**September 24**

Greater York - 911 Center  
120 Davies Drive  
York, PA 17402

**September 30**

Northern - Fairview Twp  
599 Lewisberry Rd
