Board of Supervisors
Fairview Township
New Cumberland, Pennsylvania

Report on the Audit of the Financial Statements

Opinions

We have audited the accompanying 2022 Commonwealth of Pennsylvania Municipal Annual Audit and Financial Report (Form DCED-CLGS-30) of the Township of Fairview, York County, Pennsylvania, which is comprised of the financial statements and other financial information (together the financial statements) for the year ended December 31, 2022.

Unmodified Opinion on Regulatory Basis of Accounting

In our opinion, the 2022 Commonwealth of Pennsylvania Municipal Annual Audit and Financial Report (Form DCED-CLGS-30) referred to above presents fairly, in all material respects, the financial statements shown therein of the Township of Fairview, York County, Pennsylvania, in accordance with the requirements prescribed by the Department of Community and Economic Development, on the basis of accounting described herein.

Adverse Opinion on U.S. Generally Accepted Accounting Principles

In our opinion, because of the significance of the matters discussed in the Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles paragraph, the financial statements referred to above do not present fairly, in accordance with accounting principles generally accepted in the United States of America, the financial position of the Township of Fairview, York County, Pennsylvania, as of December 31, 2022, or the changes in its financial position for the year then ended.

Basis for Adverse Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Township and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles

The financial statements were prepared by the Township of Fairview using the accounting practices prescribed by the Department of Community and Economic Development of the Commonwealth of Pennsylvania, which is a basis of accounting other than accounting principles generally accepted in the United States of America, to meet the requirements of the Commonwealth of Pennsylvania.

These practices differ from accounting principles generally accepted in the United States of America as to the lack of disclosure and the exclusion of budget information and Management's Discussion and Analysis. In addition, the format of the Municipal Annual Audit and Financial Report is not consistent with the requirements of Governmental Accounting Standards Board Statement 34, *Basic Financial Statements-and Management's Discussion and Analysis-for State and Local Governments*. The effects on the financial statements of the variances between these regulatory accounting practices and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting practices prescribed by the Department of Community and Economic Development of the Commonwealth of Pennsylvania. Management is also responsible for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement whether due to fraud or error.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance, but is not absolute assurance; and therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Township's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Township's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control related matters that we identified during the audit.
