Revised comments dated January 23, 2014.

Zoning Ordinance:

No Comments

Subdivision Ordinance:

1. Adjacent wells and septic systems are to be located on the plans. If a full survey of the surrounding properties is not conducted a waiver with a note indicating no adjacent well or septic system are within the required 100 foot isolation distance to another well or septic system are within the required 100 foot isolation distance to another well or septic system. SLDO 402.1.D A modification has been requested.
2. The plan do not have the certification and dedicatory statement signed by The owner. SLDO 402.1.M
3. Cartway widening improvements are required along Ridge Road. SLDO 602.2.C Modification has been requested.

General Comments:

4. The plans are showing consolidation of two separate lots. A not should be added clarifying what is taking place with this plan and how the discrepancy came to be?
5. All plans have to comply with Resolution 2008-13, which indicates that all accounts with Township must be current and not delinquent.

Modifications:

6. Locate adjacent structures, wells and septic systems on adjacent lots. SLDO 402.1.O. The Township Engineer supports request.
7. Cartway improvements along Ridge Road. SLDO602.2.C. The Township Engineer does not support this request.
