IF A SOLICITOR APPROACHES YOU AT YOUR DOOR:

Residents should ask to see the solicitor's copy of their signed Township solicitation permit. If the solicitor is unable to provide this, please remind them that a permit is required when soliciting in Fairview Township. If at any time, you feel uncomfortable or threatened, please contact the Police Department at (717) 901-5267. It is helpful to give them the name of the organization, time of day/evening and a description of their vehicle, if possible.

Reporting Street Light Outages

The Township receives many calls from residents wanting to report a streetlight that has burned out. Streetlights are both installed and maintained by the electric company in your area. Any outages should be reported directly to them. Be prepared to give a street address where the light is located. It is also helpful to them if you can provide the pole number, which is posted on each streetlight.

Home Delivered Meals

The "Home Delivered Meals Program" is designed to provide a well-balanced daily meal to homebound older adults who are unable to prepare adequate meals for themselves and have no means for assuring healthful nutrition. On Monday, Wednesday, and Friday, a hot meal is delivered to the older adult's home. Tuesday and Thursday meals are a cold-bagged lunch delivered with the previous day's hot meal. Volunteers from the local senior center deliver the meals to the older adult's home. The Northeastern Senior Center is seeking volunteers for home delivered meals, please call (717) 266-1400 if you are interested. The home delivered meal service is not a cost-shared service. Monetary donations can be made to the York County Agency on Aging.

RENT-A-KID PROGRAM

This program, sponsored by the York County Area Agency on Aging, brings older adults and teenagers together. York County adults 60 years of age or older who need help with various household chores, including lawn mowing, yard work, snow removal, electronic devices and other odd jobs can contact the York County Area Agency on Aging to hire a teenager in their area. The seniors are asked to reimburse the teens a minimum of \$5/hour, or a negotiated rate based on the job. The teenagers are York County students in grades 7 through 12 or homeschooled. They must complete an application and have it signed by their parent and school guidance counselor. The teens are then entered into a regional database. When the older adults contact the agency, they are matched electronically with teenagers in their area. To obtain a Rent-A-Kid or for more information on the Rent-A-Kid Program, please contact York County Area Agency on Aging at (717) 771-9103 or 1-800-632-9073.

(Neither adults or youth are screened by the York County Area Agency on Aging)

Do you or someone you know need transportation assistance getting to a medical appointment or other life sustaining service?

Rabbittransit's shared ride service may be right for you. Shared Ride (a.k.a. Paratransit) provides consolidated trips between travel origins and destinations during limited hours and in specific areas, including Fairview Township. All shared ride trips require a reservation.

There is a required application and reservation process that must be completed before riding. Call 1-800-632-9063 or visit <http://www.rabbittransit.org/shared-ride/> for more information.

HELLO FAIRVIEW

As the recognized historical society for Fairview Township, the West Shore Historical Society (WSHS) appreciates the interest we have received from Fairview residents. Your letters and phone calls show the great interest Fairview residents have in history and preservation. We've enjoyed connecting with each of you!

WSHS/Friends of Sheepford Road Bridge received the State Historic Preservation Office's Community Initiative Award on September 25th, 2023, in recognition of our successful "Save Our Bridge" campaign on behalf of the Sheepford Road Bridge. We are grateful to all the Fairview residents who were involved in advocating for the rehabilitation of our historic bridge.

The Sheepford Road Bridge project is moving forward, with construction expected to begin in Spring 2024. The bridge will be removed, taken apart, shipped off site, rehabilitated and then returned to its home over the Yellow Breeches Creek. Come down and visit our bridge in the coming months before construction begins. When it's completed it will have a whole new look!

WSHS Director and Fairview resident Shayne Reed continues his mapping project, locating and researching historic properties in Fairview. The first phase of this project is near completion and will be made available to Fairview. We're excited about what we've learned.

In June, WSHS met with local historian Phil Dodson, one of the authors of History of Fairview Township – The First 100 Years. We thank Phil for his time and the knowledge he shared. Interested in becoming a member of WSHS?

Visit our website www.westshorehistoricalsociety.org/donate, email Janice@wshistoricalociety.org or call 347-771-4223 for information on how to join or donate.

CONGRATULATIONS TO THE TOWNSHIP'S ENGINEER DREW BITNER, PE-PLS

DREW HAS BEEN AN ACTIVE LIFETIME MEMBER OF THE AMERICAN SOCIETY OF HIGHWAY ENGINEERS (ASHE) ORGANIZATION FOR FIFTY PLUS YEARS AND HOLDING NUMEROUS OFFICES AND COMMITTEE CHAIR POSITIONS IN SUPOORT OF THE SOCIETY, INCLUDING SERVING AS PRESIDENT OF THE HARRISBURG SECTION AND FORMER ASHE REGION 4 AND NATIONAL DIRECTOR OF THE NORTHEAST REGION. FAIRVIEW TWP.

Fairview Township Fire Department reminds residents that **October 8th-13th 2023** is fire prevention week. Take time this week to review emergency plans with your family, practice an evacuation drill in your home, and ensure you have a family meeting place!

Get out and stay out when your smoke alarm sounds.

Go to your outside meeting place and call 911

NOVEMBER 5TH, 2023

Change your clocks, check your smoke detector batteries! Remember when you change your clocks on November 5th; also take the time to change your smoke detector batteries! Both 9-volt operated, and hard-wired smoke detectors should have the battery replaced every year.

Fairview Township has recently passed an ordinance requiring businesses in the Township to have a Knox Box installed on their property for use in an emergency by the Fairview Township Fire Department. If you currently own a business in Fairview Township, please contact 717-901-5290 or email lockbox@twp.fairview.pa.us to schedule a pre-inspection appointment, or for any questions.

As winter approaches, we also want to remind residents to build an emergency supply kit for your car: first aid kit, jumper cables, full tank of gas, cell phone and cell phone charger, shovel, ice scraper, snowbrush, sand/cat litter, warm clothing & blanket, water and snacks, tire chains, towrope, and flares. When traveling this winter be sure to check <http://511pa.com> for up to date conditions.

Fairview Township Police

The Police Department held their annual awards dinner in August. Awards were handed out for the 2022 calendar year. [Officer of the Year was Kohl Welcomer](#). Officer Welcomer is an example of what you would want a police officer to be. He frequently leads us in criminal arrests as well as traffic numbers. He is a Field Training Officer and participates with the York County Drug Task Force and is a member of the York County QRT (SWAT). Additionally, Officer Welcomer is known to buy needy residents a meal or even pay for somebody’s groceries out of his own pocket when he recognizes a true need. He is truly a standout officer and standout person.

[Officer Bryan Markley was awarded our Community Service Award](#) which recognizes officers that go above and beyond in their service to the community. The purpose of this award is to look beyond arrests and traffic tickets. The winner of this award believes in and practices true community policing concepts.

In addition to these two featured awards, the following officers also received recognition.

[Award of Valor](#) and Award of Merit for their response to an active shooter situation at the Walmart in Newberry Township.

- Officer Michael Bishop – Award of Valor
- Officer Bryan Markley – Award of Valor
- Officer Joshua Poplin – Award of Valor
- Sergeant Timothy Dehoff – Award of Merit

[Lifesaving Award](#) for either administering CPR or the life-saving drug Naloxone and allowing the patient to remain alive to get advanced medical attention at a hospital.

- | | | |
|------------------------------|--------------------------|-------------------------|
| Lieutenant Jarrett Boyles | Sergeant Michael Bennage | Sergeant Brandon Yeager |
| Detective Christopher Bickel | Officer Anthony Jackson | Officer Bryan Markley |
| Officer Joshua Poplin | | |

[Chief’s Commendation for outstanding investigations](#) that led to a major felony arrest.

- | | | |
|--------------------------|-------------------------|-----------------------|
| Sergeant Michael Bennage | Officer Michal Bishop | Detective Chad Bowman |
| Officer Anthony Jackson | Officer Theodore Kreitz | Officer Jason Lotier |
| Officer Joshua Poplin | Officer Kohl Welcomer | |

These awards are a demonstration of the excellent work that our police officers do on a daily basis in service to our community.

The Fairview Township Police Department is once again partnering with the DEA to host National Prescription Drug Take-Back Day on October 28, 2023 from 10:00 am until 2:00 pm. We will be set up in front of Crossroads Middle School at 535 Fishing Creek Road during those hours. We will be accepting controlled, non-controlled, and over-the-counter medications.

FAIRVIEW TOWNSHIP EMS

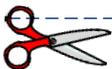

Providing the community with Emergency Medical Services 24-hours a day to the residents of Fairview Township and the surrounding communities for the past 20 years!

HELP US FIND YOUR LOVED ONE IN THEIR TIME OF NEED!

With the purchase of one of our reflective address signs you will not only ensure that we are able to find your home in your loved ones time of need but you will also support and organization that has been part of your community for the past 20 years. The sign can easily be attached to your mailbox post or mounted on a post in the corner of your front yard. The sign measures 6 inches in width by 18 inches in length. Both the numbers and backing are made of reflective materials, and the backing is baked on for easy maintenance. We are able to provide you with your choice of green or blue background. This will also help you meet the Township Building Numbering Ordinance.

MILITARY BANNER PROGRAM

Fairview Township and American Legion Post 974 invite you to help us honor your family and friends from Fairview who have served our great country. The **Military Banner Program** salutes our brave men and women currently serving and those who have served in the military by creating a custom banner to be displayed along the streets throughout the township in honor of our hometown heroes. Applications can be found on our website or can be picked up at the Township Office (by appointment only) or at the American Legion located on Marsh Run Road. For more information you may contact Tom Semones with the American Legion at (717) 350-0481. The program includes: (1) One 24" x 36" double sided Military Banner to be displayed for all to see along the streets within the township, (1) single sided banner for your personal display, and can be viewed on the web at www.troopbanners.com/FairviewTownship with a one-time cost to join the program of \$150.00.

FALL REMINDERS

CHECKOUT OUR FALL MAINTENANCE CHECKLIST TO
GET YOUR HOME READY FOR FALL!

- ✓ Get an HVAC inspection
- ✓ Change your return filters forced air-heating systems.
- ✓ Get your roof checked out. If you don't take care of your roof, it will not take care of you!
- ✓ Open curtains and blinds to let sun in through windows to help heat your home and shut them at night retain heat.
- ✓ Inspect your home's outer walls ceiling, windows, doors and floors
- ✓ Inspect plumbing pipes to prevent bursting!
- ✓ Check or install weather stripping at doors, caulk around windows, add storm windows or window films when applicable.
- ✓ Seal up foundation and driveway cracks, because during cold weather, moisture can seep into these areas and freeze causing surfaces to crack and split.

Fall Outdoor Electrical Safety Tips

- Clear leaves from outdoor lighting, outlets, power cords and air conditioning units.
- Protect outdoor electric outlets and equipment from moisture.
- Check integrity of extension cords and replace as necessary.
- Don't overload outlets with too many plug-in decorations.
- Ensure electric blankets are in good repair and working condition.

NEED A CONTRACTOR

When hiring a contractor, the homeowner or contractor must apply for a permit about three weeks before the work begins. Building permits can take up to 15 business days because they are reviewed by a third party agency. If the contractor applies for a permit, the homeowner must ask the contractor for the permit to be displayed in the window of the residence. If the contractor does not get a permit, the homeowner is still legally responsible. If you have any questions as to whether a permit is required for the work to be done or if you have a problem with the actual permit, please call the Building/Zoning & Codes department at (717) 901-5220. Be sure of the permit and its cost before you pay a contractor for it!

Residential Building Permits - Not sure what type of Building Permit You Need?

Fairview Township requires permits for many types of construction and building work in residential structures. Some jobs will require only a "Zoning Permit" and other jobs will require a "Building Permit". These are separate permits with their own applications. Zoning permits fall under Township rules and ordinances. Building permits fall under Pennsylvania Uniform Construction Code and require inspection. Keep in mind, permits take time to review and process. Please allow up to seven business days for Zoning permits and three weeks for Building permits.

EXAMPLES OF WORK REQUIRING A ZONING PERMIT	EXAMPLES OF WORK REQUIRING A BUILDING PERMIT	EXAMPLES OF WORK NOT REQUIRING ANY PERMIT
Construction and/or installation of a fence.	Building an addition onto your house, including attached garages and carports.	Repair to existing structures such as floorboards in a deck.
Construction and/or installation of a shed, unattached carport, or unattached garage, under 400 square feet.	Above ground and in ground swimming pools, even "wall-less" and portable pools! Any pool that is deeper than 24" needs a permit to put it back up every year.	Replacing or installing siding on a house.
Construction and/or installation of a patio, including paver patio or porch with no roof or walls.	Adding a roof to a patio, porch, or deck.	Replacing windows and doors with new one of the same size.
Construction and/or installation of a walkway on the property other than the sidewalk along the street. (This required a different permit.)	Construction and/or installation of a deck where the deck is more than 30" from the ground at any point.	Replacing a garage door (however, replacing a manual door with an electric door will require and electrical permit).
Construction and/or installation of a deck where the deck is not more than 30" high.	Installation of doors and windows, if the new doors and windows are a different size.	Wallpaper, carpet, tile, paint, and interior cabinetry such as kitchen cabinets.
Widening, replacing or adding newly paved areas to an existing driveway.	Upgrading and electrical service.	
	The addition or relocation of electrical wiring.	
	Plumbing work where the "trap" seal is broken.	
	Putting new shingles on your roof.	

STORMWATER MANAGEMENT

**YOUR STORM DRAIN
IS JUST FOR RAIN!**

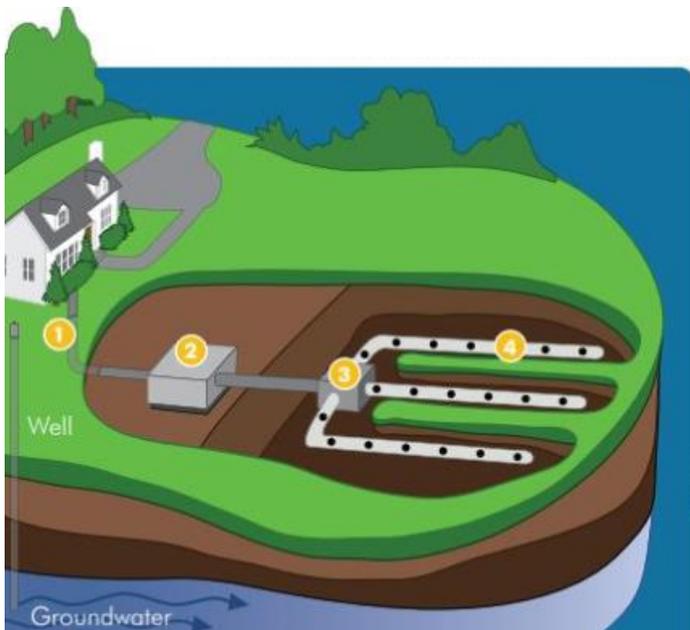

As you clean up your lawn this fall, please do not rake leaves or other debris into storm drains. Only untainted rainwater should flow from your yard into storm drains. Lawn clippings, leaves and other debris often clump, contributing to a larger problem underground in the pipe system.

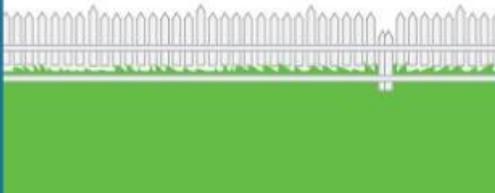

Even if you only “occasionally” allow grass clippings, leaves and other plants to wash down the drains...Multiply your “occasional” by the hundreds of subdivisions and thousands of homes in South Central PA region, and it’s easy to see why non-point source pollution is becoming a major concern.

The best option, ecologically speaking, is to re-mow your yard several times so the clippings will sink down into the lawn and break down quickly, providing valuable fertilizer.

HOW DOES A SEPTIC SYSTEM WORK?

1. All water runs out of your house from one main drainage pipe into a septic tank.
2. The septic tank is a buried, water-tight container. Its job is to hold the wastewater long enough for solids to settle to the bottom (sludge) while the fats, oil and grease float to the top (scum).
3. For conventional septic systems, liquid wastewater exits the tank and is spread evenly throughout the drainfield, usually through a distribution box. Systems with more advanced treatment may have an additional component between the septic tank and drainfield.
4. Once in the drainfield, the wastewater percolates into the soil, which reclaims the water nutrients.

This process may vary based on the site conditions of your property (e.g., soil type, proximity to water). A septic system’s “as built” drawings will be able to tell you what type of system is on the property.
