of the Fairview Township Zoning Ordinance.

Nature of Variance(s) requested: Relief from buffer zone screening requirement at the adjoining residential west property line.

The applicant believes the Variance should be granted due to:

- Applicant is unable to make reasonable use of his property for the following reasons:  
Buffer zone requirement at the adjoining residential west property line has existing features providing natural screening.  
Adjoining property is at a lower elevation creating existing screening to future Mavis development. Existing conditions include  
grade change of approx. 20 feet and area of variance consideration has existing trees and vegetation.
- The unnecessary hardship on this property is:  
 The result of the application of the Zoning Ordinance;  
 Due to unique physical circumstances of the property in question not shared by other properties in the vicinity;  
 Not financial in nature;  
 Not self-created;
- The proposed Variance will not alter the essential character of the neighborhood nor impair the use of the adjacent property for the following reasons: \_\_\_\_\_  
Adjoining property is at a lower elevation creating existing screening to future Mavis development. Existing conditions include  
grade change of approx. 20 feet and area of variance consideration has existing trees and vegetation. (See attached photos)
- The Variance requested represents the minimum that will afford relief for the following reasons:  
Adjoining property is at a lower elevation creating existing screening to future Mavis development. Existing conditions include  
grade change of approx. 20 feet and area of variance consideration has existing trees and vegetation.
