How to Select the Low Volume Trash Option

Effective January 1st, Fairview Township will have the option between Basic Service and Low Volume Service.

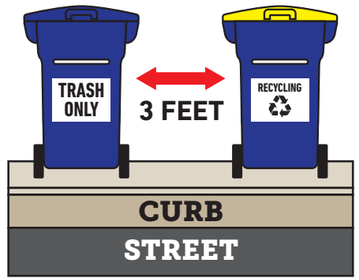

Basic Service – Up to 2 contractor provided 96-gallon carts or up to 5 personally owned garbage cans or bags and recyclable carts, large item collection, Christmas tree collection and yard waste collection.

Low Volume Service – 1 35-gallon contractor provided cart for trash or 1 personal trash can or bag, 1 65-gallon recyclable cart, large item collection, Christmas tree collection and yard waste collection.

If you want to select the Low Volume Trash option, you must call the Penn Waste Customer Service Department (717) 767-4456 to order the Low Volume service. You will be prompted to leave your name, address, phone number and request for 35-gallon cart. If you are not moving from the Basic Service, you do not need to call. Residents will begin seeing mobile carts delivered in December 2026 for those opting for the Low Volume Service.

Proper Cart Placement

Please be advised that all mobile carts should be placed behind the curb. There should be nothing placed in the roadway that would impede or delay the removal of snow or ice from the road. The garbage truck arm has the capability to reach past the curb in order to pick up your cans.

Here are some tips to ensure a smooth collection process:

- Set mobile cart out the evening before pickup day.
- Place mobile cart with the lid handle and wheels pointing toward your residence.
- Do not place cart in the roadway.
- Do not block walkways with carts.
- Place carts at least THREE FEET APART from each other and mailboxes, fire hydrants, low hanging trees or shrubs, parked cars, or utility poles - so trucks can easily access the cart.

Bulk Item Guidelines

Fairview Township residents may dispose of one (1) bulk item per week through curb side collection. Please call Penn Waste at 717-767-4456 to schedule all bulk items for collection. Please have your waste, recycling, and bulk item available for collection at the curb by 6:00 am. We recommend placing your material curbside the evening before collection.
